Programs Offered

Program Name	Code	Interest Area	Admissions Method	Grade	2010 Seats	2010 Applicants
National Academy Foundation Media Communications	Y31B	Communications	Screened: Language	9	32	246
Details: A hands-on approach to understanding mass media opportunities to develop career skills in video production, journalism, media arts, technology, with internships in various media outlets						

Overview

The Academy for Language and Technology (ALT) nurtures inquiry learning, character development and community building. Our focus is to prepare students to compete in the global economy. Students connect technology to real-world experiences via internships and they develop literacy in both Spanish and English. Ninth graders enter one of our three technology-focused programs: media communications, computer networking or computer technology. Our school environment - built on community, leadership and social activism – encourages our students to grow into articulate, responsible citizens.

Program Highlights: College and Career Planning Seminar, Ethics/Service Learning Seminar, College Planning beginning in 9th grade, Art History, iZone School

Language Classes: Spanish

Advanced Placement Courses: Economics: Macro, English Literature and Composition, Government and Politics: United States, Spanish Language, Spanish Literature

Extracurricular Activities: Student Government, National Honor Society, MOUSE (Technology) Team Microsoft Applications, Adobe Photoshop, Spreadsheet, Leadership Clubs: N/A

PSAL Sports – Boys: Baseball, Basketball

PSAL Sports – Girls: N/A

Overview

We are a school that is configured into three small learning communities, in one school, with one principal. We offer programs that can lead to national certification in Carpentry, Electrical, Plumbing and Heating, Ventilation and Air Conditioning (HVAC), Automotive Trades and Architectural Drafting. We believe in the two for one diploma – Regents plus Career and Technical Endorsement. We also believe that it takes an entire village to raise a child.

Program Highlights: Auto and Building Trades, Pre-Engineering, Honors Classes, Summer Internships, Credit Recovery, Saturday Tutoring, Saturday School, Art, Drama, Steelband, Native Language Arts

Language Classes: Spanish

Advanced Placement Courses: Calculus AB, English Language and Composition, Spanish Language, United States History

Extracurricular Activities: Skills USA, Automotive Youth Educational System (AYES) Internships, Co-op Education, PSAT & SAT Prep, Shakespeare Competition, Poetry Competition, Spelling Bee **Clubs:** International, Robotics, Chess, Leadership, Wrestling, Book

PSAL Sports – Boys: Baseball & JV Baseball, Basketball & JV Basketball, Bowling, Cross Country, Football & JV Football, Golf, Gymnastics, Handball, Soccer, Tennis, Volleyball, Wrestling

PSAL Sports – Girls: Volleyball

PSAL Sports – Co-ed: Outdoor Track

School Sports: Jiu-Jitsu, Intramural Sports

Archimedes Academy for Math, Science and Technology	Y37A	Science & Math	Limited Unscreened	9	96	551

Overview

Our school provides a challenging and innovative education focused on math, science and the integration of technology into all subject areas. Our classes feature inquiry and project-based curricula and use of remote response systems. Our non-traditional Physical Education classes expose students to experiences that they otherwise might never have. Our students are grouped into four Houses which are divided into smaller single-gender Advisory groups led by a faculty advisor. Although classes change, students remain with their House and advisor until graduation. Our students graduate with the knowledge they need in math, science and technology applications to succeed in today's digital society.

Program Highlights: Integrated use of technology in all disciplines, College-level courses in grades 11-12 through Syracuse University Project Advance (SUPA), Physical Education classes (Ballroom Dancing, Latin Dancing, Fitness, Boxing, Lacrosse)

Language Classes: Spanish

Advanced Placement Courses: N/A

Extracurricular Activities: Student Council, Youth & Government Team, Peer Mediation, Saturday Academy, After-school Tutoring, Robotics Team, Science Olympiad, Talent Show, Cheer Team, Hip-Hop Dance **Clubs:** Book Club

Overview

We are dedicated to supporting the growth of young adults through our emphasis on high academic performance in science, mathematics and technology, achieved through our four year study sequence in both science and mathematics. In partnership with Lehman College, we offer small classes and challenging electives. We provide our students with a well-rounded curriculum that instills a diverse educational foundation, fostering and promoting post-secondary success. By forming real partnerships among students, teachers, parents/guardians and local community leaders, we help our students become creative, inspirational individuals who value integrity, self-worth and commitment to their community.

Overview

We are a small high school in the South Bronx that focuses on building strong, positive relationships to support student growth and achievement. We believe in the three Cs: Communication, Collaboration and Community. We seek to develop a thoughtful community where staff, parents and students ambitiously challenge themselves to reach high standards of excellence in a supportive environment. Our students strive for meaningful learning to effect change in their communities and the broader environment. Individual experiences and different learning styles are valued in our school community. We work to produce well-informed learners capable of shaping their own futures.

				10	5	62

Overview

We prepare students for a variety of health professions including medicine, medical technology, nursing, pharmacology and physical therapy. We familiarize our students with the habits, practices and educational requirements needed to become a health professional, and provide them with opportunities to volunteer and intern in local healthcare institutions. Students study four years of science and math to be well prepared to meet the challenges of a college education in healthcare. We collaborate with colleges to offer our students an opportunity to take college level, credit-bearing courses for free. Our staff works with parents to ensure students receive the support they need to succeed.

Program Highlights: Strong emphasis on science, College Courses, Volunteering, Cardio-Pulmonary Resuscitation (CPR), First Aid, Extended Periods, Daily Tutoring, Weekly Assemblies, Monthly Town Hall Meetings featuring guest speakers and student presentations, Annual Health Fair, Talent Shows, Awards Ceremonies, Student Council, Conflict Resolution

Language Classes: Spanish

Advanced Placement Courses: N/A

Extracurricular Activities: Volunteering, Shadowing, CPR, First Aid Certification, National Honor Society, Tutoring, Regents Preparation, SAT Preparation, Choir
Clubs: Chess, Science, Book, Theater, Step, Art, Dance

PSAL Sports – Boys: Baseball, Basketball & JV Basketball, Cross Country, Football & JV Football, Indoor Track, Outdoor Track, Soccer, Swimming, Volleyball

PSAL Sports – Girls: Basketball, Cross Country, Indoor Track, Outdoor Track, Softball, Volleyball

PSAL Sports – Co-ed: N/A

School Sports: Basketball, Volleyball, Weightlifting, Swimming, Track and Field

Additional Information

Bronx Academy of Letters	X27A	Humanities & Interdisciplinary	Limited Unscreened	9	81	1922
				10	5	62

Overview

The Bronx Academy of Letters was founded on a single idea: students who can express themselves clearly in writing can do better in any path they choose in life. In addition to the challenging academic work offered, we are also committed to providing learning opportunities outside of the classroom. Throughout the year, our students participate in regular field trips to arts institutions, colleges and universities. During the summer, our student services team connects students to jobs, internships and programs that allow them to travel all over the world – from Tokyo to Mexico. At Letters, we celebrate hard work, curiosity, self-expression and service. Our graduates are articulate, critical readers and writers, fully prepared to maximize their learning and growth – not only during their high school and college years, but throughout their lives.

Program Highlights: Honors classes, interdisciplinary courses, college-level research projects with formal presentations in English, Math, Science, History, Arts and Language; annual student exhibitions, writing workshops, technology access, externships, seminar electives

Language Classes: Spanish

Advanced Placement Courses: English Language and Composition, English Literature and Composition, Environmental Science, Government and Politics: United States, United States History

<p>Details: Students will concentrate on one of three future plans. Flight and Air Traffic Control Simulators will be used for initial preparation. Flight training is conducted at Republic Airport.</p>						

Overview

We provide students with a unique blend of academics and aviation training. Our students are required to wear the standard pilot’s uniform every day (see below). Students choose between three focuses: pilot preparation, air traffic control preparation or college preparation. All entering students are expected to attend a summer orientation program for two weeks in August. At the orientation, students pick their focus and work closely with upperclassmen to prepare for the transition to high school. Students may receive flight and air traffic control training in our state-of-the-art flight simulator.

Program Highlights: Aviation Ground School, Flight Training, Basic Air Traffic Control Training, Lifeguard Certification, Anti-bullying Program

Language Classes: French, Spanish

Advanced Placement Courses: N/A

Extracurricular Activities: LifeSkills Training, Saturday Academy Credit Recovery, SAT/ACT Prep, Air Traffic Control Training, Reality Works Real Baby Program, Leadership and College Readiness, ESL Homework Center, Peer Academic Teams

Bronx Center for Science and Mathematics	X05R	Science & Math	Limited Unscreened	9	108	1961

Overview

The Bronx Center for Science and Mathematics offers a challenging academic program with a concentration in science and mathematics supported by the study of humanities and the integration of technology across the curriculum. Our school will meet the emotional, intellectual and social needs of all students through a strategic support structure consisting of faculty, students, parents and the community. We prepare our students for the world of work and/or college through collaboration with our partners. The foundation of our school rests on Seven Core Virtues that will prepare our students for citizenship: Respect, Integrity, Honor, Excellence, Commitment, Perseverance and Service.

Program Highlights: Advisory, Guidance and College Preparatory, Mentoring, Leadership, Summer Enrichment at universities and colleges, PSAT and SAT Preparatory, Comprehensive After-school Program, Peer Tutoring, Evening School and Summer Institute for Credit Recovery

Overview

At Bronx Early College Academy (BECA), we transform our students’ lives by preparing them for success in college and in life. The curriculum at BECA offers students an accelerated academic program leading to the completion of a high school diploma along with up to two years of college coursework while in high school. The educational goals of this initiative are to minimize the barriers between high school and college, ease the transition from secondary to post-secondary school and prepare students for, and attract them to, higher education as well as increase high school graduation rates.

Program Highlights: Saturday School, PSAT opportunities, Academic Intervention Services, Academic Enrichment Services; Cooperative, Healthy, Active, Motivated, Positive Students (CHAMPS) Sports; Project BECA: a weekly incentive and behavioral program, College coursework at Lehman College and City University of New York (CUNY), Honors Mathematics

Bronx Envision	Y54A	Humanities & Interdisciplinary	Limited Unscreened	9	81	N/A

Overview

Bronx Envision Academy will support student success through a challenging curriculum as well as internship experiences and collaborations with arts organizations and local businesses. At our school, imagination is the key to success and the learning process in all academic disciplines will mirror the artistic process. We will be a public hub for the arts, with a student-run gallery and performances. Through Envision Academy’s arts-rich instruction, students will be empowered to become passionate about their futures and will graduate well-prepared for college and careers.

Program Highlights: Off-site and Project-based Learning, Digital Portfolio Assessment, Career and College Counseling, Studio Art, Modern Dance, Small Group Advisory, Interdisciplinary Humanities, Writing, Partnerships with Arts Institutions, Internships with organizations and businesses as well as in-school projects

Language Classes: N/A

Advanced Placement Courses: As we expand, we plan to offer AP courses

Bronx Guild	X32A	Humanities & Interdisciplinary	Limited Unscreened	9	81	409
				10	10	60

Overview

We are a community of learners engaged in meaningful work. Our mission is to capture the energy and interests of young people by providing apprenticeships in the adult world. Students are required to participate in the apprenticeship program 2-3 days per week and give quarterly public presentations of their learning. Each student's curriculum is determined by his or her unique interests, background and learning style. Each teacher is responsible for only 15 children. Learning Through Apprenticeship (LTA) is the center of the Bronx Guild curriculum. At the worksites, students take on real-world tasks and projects under the supervision of a mentor. Back at school, the students work with their crew leaders building and reinforcing the skills and knowledge needed to complete those projects. Our very successful program has placed students in over 300 apprenticeships since opening our doors in 2002.

Program Highlights: Project-based Learning, Interdisciplinary courses, Extended Time Periods in class

Language Classes: Spanish

Advanced Placement Courses: N/A

Extracurricular Activities: Student Government, Building with Books, Project Read, Literary Magazine, Dance, African Drumming **Clubs:** Art (after-school), Break the Silence (spoken word club)

Overview

Bronx Health Sciences High School is designed for students who are willing to engage in a challenging academic program and explore the health sciences and related health career opportunities. Our young adults will be equipped with the necessary literacy and scientific problem solving skills that will enable them to become lifelong learners while gaining a sense of personal and community responsibility. We emphasize literacy, problem solving skills, character development, sensitivity, tolerance, leadership, and personal responsibility as crucial components. Through partnerships with Lehman College and Council for Unity, students are exposed to special programs and resources. Graduation requirements include the completion of four years of science, math, health sciences, required community service, internships and an academic portfolio assessment.

Program Highlights: Health Research, Interdisciplinary Research, Health Literacy, Problem-based and Project-based Interdisciplinary Learning, Health Related Community Service and Externships, Hospital Volunteer, Health Occupations Students of America (HOSA), Advisory

Language Classes: Spanish

Graduation Rate	81.2%	83.7%

Overview

Our school offers a small academically challenging high school experience to students with a desire to enter the fields of medical science and health careers. Science courses are embedded into all curricula areas. At our school, the first three years of study are devoted to the completion of all New York City requirements for graduation and examinations, while the last year is devoted to College Now coursework. Over the course of their high school experience, students will become “resident experts” in a particular field or topic of their choosing and will be required to compile a variety of reports, experiments and artifacts culminating in a senior year presentation to their peers.

Program Highlights: Students have the opportunity to shadow health care professionals during the school day, after-school, weekends and in the summer. Students apply to this competitive program and conduct research under the supervision of trained personnel in various areas.

Language Classes: Spanish

Advanced Placement Courses: English Literature and Composition, Environmental Science, Spanish Language

Extracurricular Activities: Student Government, Senior Council, School Newsletter, National Honor Society, The City University of New York (CUNY), Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP), Middle Grades Initiative **Clubs:** Modern Dance, Chess

PSAL Sports – Boys: Baseball, Basketball & JV Basketball, Bowling, Handball, Outdoor Track, Soccer, Volleyball

Graphic Design	X35B	Visual Art & Design	Limited Unscreened	9	54	394
				10	5	20
Details: A program of study focused on learning the elements, principles and process of design and developing digital media and business skills. Students participate in internships and are prepared for advanced study and work in the field of graphic design.						

Overview

We offer a challenging, sequential, four year pre-professional art program and an interdisciplinary academic curriculum within a close-knit school community. We offer two visual arts programs: one focuses on developing general knowledge of the visual arts, while the other prepares students to become professional graphic designers. Both programs emphasize skill-building, student creativity, interests and community contributions. Our cultural partners provide learning experiences and additional resources for students and their families. Our small class size and project-based, student-centered curriculum provide individualized attention and prepare students for college and careers in the arts.

Program Highlights: Studio Art, Portfolio, Digital Media, Photography, Museum Apprenticeships and Internships, College Now, Career and Technical Education Program in Graphic Design, Career Visions Institute, Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP)

Overview

Our primary educational objective is to teach gifted students to think scientifically. We accomplish this goal by providing research opportunities in many disciplines, numerous advanced placement and post-advanced placement courses, hands-on lab experiences and individualized attention in a warm, caring learning environment. We provide an enriched and diverse program to prepare students for leadership positions in science and society. Students at Bronx Science benefit from a well-rounded education and enjoy the experience of a college-like atmosphere with an open campus.

Program Highlights: Intel Research Program, Post-AP Genetics, Post-AP Psychology Courses, Game Programming, Combinatorics and Number Theory, Optics and Lasers, Quantitative Analysis, Linear Algebra, Multivariable Calculus, Digital Music, Four Performing Musical Groups, Speech and Debate, Abnormal Behavior, Forensic Science, Electronics, Holocaust Studies, Animal Behavior with the Bronx Zoo, Astronomy (planetarium on-site), Computer Science Sequence, Digital Photography; please check the course guide available on our website for additional courses

Overview

The mission of the Bronx International High School is to empower our students to become active participants in today’s interdependent and diverse world. We accomplish this by helping enhance our students’ cultural awareness, English and native language proficiencies and intellectual and collaborative abilities. We are dedicated to serving the academic and social needs of recently immigrated young people and their families. By critically analyzing and responding to complex world issues, students will achieve academic, personal and professional success as they become advocates for themselves and their communities.

Bronx Leadership Academy II High School	Y49A	Science & Math	Limited Unscreened	9	108	807
				10	10	68

Overview

Our school's motto is "Community, Collaboration, Inquiry." Our mission is to provide students with an exemplary, science-based education that prepares our graduates for college and careers. Students' natural curiosity will guide the open-ended process of discovery and critical thinking, helping them become life-long learners. Our school's familial atmosphere and our partnership with South Bronx Churches encourage students to apply their leadership skills in their school and community. Here students are supported to achieve their potential as creators, inventors and leaders.

Program Highlights: All students study four years of Math and Science, yearly College and Career Seminar, English classes in which students complete at least one yearly research paper, Honors courses for a number of Core classes, longer class periods to enable students to fully explore topics, WISE program (individualized study and internships for seniors)

Language Classes: French, Spanish

Progress Report	B	C
Quality Review	N/A	P
Graduation Rate	69.6%	67.3%

Overview

We offer the opportunity for students to earn a fully accredited Regents diploma by adopting the model of a theatre company. Our students stage classic plays and their own original works to explore the universal themes of the human experience and acquire skills and knowledge to meet the Learning Standards as outlined by the New York State Board of Regents. We believe that it is our capacity to imagine which allows us to learn. Our school addresses the challenge of teaching all subjects through the variety of disciplines that make up theatre practice. We utilize project-based learning and take it a step further by engaging students as artists-at-work.

Program Highlights: Performance, Set Design, Costume Design, Theatre Business, Chorus, Guitar, Playwriting, Dance Company, National Honor Society, College Now, Arts-related field trips; Math, Science and Humanities subjects enriched through producing original and classic plays, Advisory accomplished through our Theatre Arts Program, Academic support offered in PM School and Tutoring; Regents Prep, College Prep, SAT Prep, Career Development Internships

Overview

Our goal is to equip our students with the skills necessary to attend to the college of their choice and pursue future career paths. We look to awaken in our students a passion for learning that continues throughout their lives. At our school, we believe in developing our students into young scholars ready and prepared to meet the challenges of the world. Our small class size offers individualized attention to our students. We have a strong emphasis on reading and writing across the curriculum. At the Bronxwood Preparatory Academy, we believe that "it takes team work to make the dream work" so that we become "The Home of Achievers!"

The Cinema School	Y42A	Film/Video	Screened	9	81	587
				10	25	21

Details: The Cinema School is a select admissions school offering a rigorous liberal arts college preparatory curriculum through filmmaking. All students will take the required courses for an Advanced Regents Diploma and take at least two Advance Placement courses to prepare them for admissions to competitive four year universities in any field of study they choose.

Selection Criteria

- English (80-100), Math (80-100), Social Studies (80-100), Science (80-100)
- Standardized Test Scores: Math Level(s) 3-4, English Language Arts Level(s) 3-4
- An Admissions Activity is required for all students who do not meet screen criteria; Students will be given the Admissions Activity at all Open Houses or by appointment
- Review of Attendance & Punctuality
- Please note: admission to this program is also based on the Admissions Priorities listed above.

Overview

The Cinema School is a selective and academically challenging high school that offers a rich liberal arts education grounded in creative activity. Filmmaking serves as the core of a strong academic program that prepares students for a wide range of futures within the industry. In addition to providing students with essential creative and technological skills, filmmaking also deepens students' learning by building confidence, responsibility and leadership. One of our school's unique features is our four-week mid-winter institute in which students work on films and other projects of their own choosing. We offer a supportive school community, small classes and individualized attention.

Program Highlights: Filmmaker's Institute: 4-week program allows students to develop film projects, participate in Film Festivals or develop research or design projects; four-year Cinema Studies curriculum includes filmmaking, storytelling, media criticism and history of visual arts; internships, independent study, college courses for advanced students. As the school expands we plan to offer online Advanced Placement (AP) courses in all subjects. All students have the option to take at least two Advanced Placement courses before graduation.

Language Classes: French, Spanish

Advanced Placement Courses: English Language and Composition, United States History

Extracurricular Activities: Small group Advisory daily before and after school; SAT prep workshops in 10th grade; Community service through NY Cares, Debate, School Newspaper & Yearbook, Tutoring, SAT Prep, After-school film program, film screenings **Clubs:** Based on student interest; past activities have included: Archery, Chess, Drama, Gay-Straight Alliance, Variety & Talent Shows

PSAL Sports – Boys: Baseball & JV Baseball, Basketball & JV Basketball, Swimming

PSAL Sports – Girls: Basketball & JV Basketball, Softball, Swimming

PSAL Sports – Co-ed: N/A

School Sports: All students are eligible to participate in all James Monroe Educational Campus sports teams and clubs. School-based sports in our Physical Education and/or after-school curriculum have included Yoga, Capoeira and Archery.

Details: Components of the program include: social action club, work with activists who are involved with social justice issues, social action and community service internships, whole school examination of social justice issues						

Overview

We are an active and caring learning community where young people create and develop the intellectual and social skills to become thoughtful and engaged community members. We honor our students' heritage and values. We embrace a climate of social activism in which students are confident to address issues that affect their lives; we help them connect their desires with hope and possibility and provide the emotional and academic supports they need to graduate and succeed in life. Our students learn how to ask questions and examine real-life problems. We guide them toward a sense of power and personal discovery to make change for themselves, their futures and the world in which they live.

Program Highlights: Performance-based Task Assessment (PBAT) program in which students complete, present and defend academic portfolios; eight PBATs required for graduation; in addition students must pass only the NYS ELA Regents exam; College preparation program in collaboration with College Summit, College Now classes at Hostos Community College, Service Learning Internships, Mock Trial/Law and Justice Class and Competition, Playwriting class with Manhattan Theatre Club, Honors English and Social Studies classes; Pre-Calculus, 9th grade double-block English classes, Creative Writing and Media course, Social Action course, Young Leaders and Student Council, Advisory

Overview

Our mission is to partner with families and local organizations to serve English Language Learners who have recently immigrated to the United States from countries around the globe. Our graduates are prepared for success both in college and in careers in Graphic Arts. Our school and classes are small; every student is known and supported to achieve. Staff and students work and learn collaboratively in heterogeneous groups. Students develop English language, literacy, and critical thinking skills by engaging in classroom projects, service learning, and internship programs. They learn to advocate for themselves and their families and to become active leaders in their communities.

Program Highlights: Small classes that integrate academic content and English language development; CTE program sequences in Graphic Arts; cooperative learning groups, interdisciplinary project-based curriculum, service learning, work-based internship opportunities, college trips, college prep counseling, career counseling

Overview

DeWitt Clinton High School has a highly unique small learning community (SLC) program. Each SLC is organized thematically with a core academic curriculum, highly specialized courses related to students and career option exploration. Students will benefit from the caring of a small school setting within a large school environment and from the range of instructional programs and activities that only a large school can offer. All entering students receive a core curriculum in a 9th grade academy. Students begin their SLC specialty in the 10th grade.

Program Highlights: Peer Tutoring, Witt Agency, Computer Graphics, Intergenerational, Speech and Debate, Playwriting, Independent Study, Air Force Junior Reserve Officers' Training Corps (AFJROTC), Virtual Enterprise

Language Classes: French, Latin, Spanish

Advanced Placement Courses: Biology, Calculus AB, Calculus BC, Chemistry, Economics: Macro, English Language and Composition, English Literature and Composition, Environmental Science, European History, Government and Politics: United States, Physics B, Physics C: Electricity and Magnetism, Physics C: Mechanics, Spanish Language, Spanish Literature, Statistics, United States History, World History

Extracurricular Activities: ASPIRA Leadership, Conflict Mediation, Health Occupations Students of America (HOSA), Peer Mediation, ROTC, Kiwanis Club of New York, Arista, Clinton News, Moot Court, Literary Magazine "Magpie," Virtual Enterprise, Yearbook, Chorus, Drama, Marching Band, Dance Team, Jazz Band
Clubs: Broadcast Crew, Caribbean, Chess, Christian Seekers, Environmental Affairs, Hip-Hop/Poetry, Hope, Art/Comic, Medical Science, History, Law, United Nations, DIVAS, Gentleman's, First Ladies, Key

Overview

Discovery High School is an arts-integrated high school that has four pillars: Academic Rigor, Creativity, Technology and Collaboration. In the first year, "Discover Myself," students learn about themselves, their skills, their strengths and weaknesses. In the second year, "Discover My Community," students learn about the local community. In "Discover My World," students learn, in their third year, about their larger community. In their senior year, "Discover My Future," students reflect on their high school experience and on themselves, their community and their world so they may apply their skills and experiences to future planning. Each year, students focus on a different creative/technical art elective. Students receiving an Advanced Regents Diploma will take a second advanced class and/or a creative/technical arts internship. We offer a variety of in-school and after-school academic, creative, technological and collaborative activities.

Program Highlights: Advanced Regents Courses, SAT Prep, College Now, Creative and Technical Arts Electives/Internships (8-10 per student), Liberty Partnership Program, Town Hall Meetings, Arts Integrated Projects and Curriculum, Theater, Museum, Gallery Visits and other trips, Guest Artists, Tutoring, Dance Performances, School Plays, Reading Series, Film Series, School Band

The Eagle Academy for Young Men	X99X	Humanities & Interdisciplinary	Limited Unscreened	9	108	1201
				10	5	43

Overview

The Eagle Academy For Young Men was developed on the premise that “Excellence, both in character and scholarship, opens doors and provides a bridge to equality.” This school has a “strategic partnership,” whose partners include students, administrators, teachers, parents, mentors and community supporters. We are focused and committed to the school’s guiding principles of: Academic Excellence, Mentoring, Leadership, Integrity, Character Development and Community Service. The Eagle Academy prepares its students to join the ranks of future leaders in society. Professionals from a wide array of careers act as mentors to provide scholarship and internship opportunities. They are successful male role models who partner with students in their development inside and outside of the classroom environment.

East Bronx Academy for the Future	X83X	Humanities & Interdisciplinary	Limited Unscreened	9	81	644

Overview

East Bronx Academy for the Future is a technology-based school for students in grades 6 through 12. Our students learn the content and skills required by the New York State Board of Regents combined with project-based learning and a focus on using technology in the classroom. Students learn in small classes, using computers and doing hands-on projects. Accelerated students take college courses in partnership with Lehman College. Bronx Academy students graduate from high school ready for college and the world of work. Our graduates are linked to careers that employ technology, such as journalism, the arts, engineering, architecture and urban planning.

Program Highlights: Accelerated Regents Curriculum, Credit bearing after-school courses for acceleration, Optional Saturday courses, Cooperative Healthy Active Motivated Positive Students (CHAMPS) Sports, National Academy for Excellent Teaching, Middle Grades Initiative, JumpStart Program

Language Classes: German, Spanish

Advanced Placement Courses: English Language and Composition, Government and Politics: United States, Spanish Literature, United States History

Extracurricular Activities: Student Government, Boys Group, Girls Group, Senior Committee, School Leadership Team, Before- and After-school tutoring, Homework Club, Technology Class, Engineering and Robotics Class, Debate Class Art, Music, Dance, Band **Clubs:** BRASS Athletic League, Humanities, Science, Stitch Clique (Knitting and Crocheting), Running/Track, Drama, Chess

Fannie Lou Hamer Freedom High School	X91A	Humanities & Interdisciplinary	Limited Unscreened	9	110	798
				10	5	59

Overview

Fannie Lou Hamer Freedom High School is one of the first small high schools in the Bronx and we have been successfully educating students in our own building for 14 years. Students and teachers work together to create a community of caring and concerned citizens committed to meaningful and purposeful work. Students develop critical thinking, research and analytical skills in preparation for college and careers. Our teachers work in-depth with a small number of students as they complete hands-on projects in all subject areas. Our graduates have already gone on to succeed in city, state and private colleges and are now following careers in business, media, social work, education and technical fields.

Program Highlights: College Now, Interdisciplinary Math/Science and Humanities, Advisory, Service Learning, Internships, Entrepreneurship, Interdisciplinary Program in Arts and Leadership in Practice, Freshman Seminar, After-school Conflict Resolution/Peer Mediation

Language Classes: Spanish

Advanced Placement Courses: N/A

Extracurricular Activities: Tutoring, Library Learning Zone, SAT Prep, After-school Classes for credit, After-school Art, Music, Dance, DJ Scratch **Clubs:** College Excell, Youth Leadership Council, Archery, Technology, Brazilian Martial Arts

PSAL Sports – Boys: Baseball, Basketball

Programs Offered

Program Name	Code	Interest Area	Admissions Method	Grade	2010 Seats	2010 Applicants
Fordham High School for the Arts	X51A	Performing Arts	Audition	9	108	953
				10	10	41

Details: Students are required to audition for one of the three dates below. Students must be prepared to write an essay explaining why they want to attend FHSA.

Audition Information:

Dance: Participate in a short dance class. Perform choreography directed to you. Perform a 1-2 minute dance piece of your choosing. Be prepared to write an essay explaining why you want to attend FHSA.

Drama: Prepare 2 memorized monologues from a play, movie or novel, one minute each. You may be asked to participate in a group theater game. Be prepared to write an essay explaining why you want to attend FHSA.

Instrumental Music: Instruments and music provided, or bring your own. Students with musical experience must be prepared to play a scale and selection from band book or music of your choice. Beginners are welcome. You will complete a questionnaire, interview, and simple melody/rhythm test for musical aptitude. Parents are strongly encouraged to attend and meet with the band director. Be prepared to write an essay explaining why you want to attend FHSA.

Vocal Music: Perform a prepared song (classical, popular or folk) without CD/piano accompaniment. Applicants will also be evaluated on tonal memory, rhythmic and aural skills, and vocal technique through teacher-led vocal exercises. Be prepared to write an essay explaining why you want to attend FHSA.

Visual Arts: Prepare and present a portfolio of three pieces of original work drawn from real-life observations (one self-portrait, one still-life or landscape, and one student's choice). Students are required to complete one detailed colored drawing from observation during the audition. Be prepared to write an essay explaining why you want to attend FHSA.

2011-2012 Audition Dates

Audition Groups	Date	Start Time	End Time
All Students	Saturday, 10/22/11	9:00 AM	12:00 PM
All Students	Saturday, 11/19/11	9:00 AM	12:00 PM
All Students	Saturday, 12/10/11	9:00 AM	12:00 PM

All auditions commence promptly at 9:00am. Latecomers may be asked to reschedule. If you are auditioning for more than one discipline, it is important that you adhere to the requirements of each area to which you are applying.

Gateway School for Environmental Research and Technology	X66A	Environmental Science	Limited Unscreened	9	135	296
				10	10	26

Overview

The Gateway School for Environmental Research and Technology attracts young men and women interested in learning about the environment with emphasis placed on science and math. Students will participate in research with a focus on environmental and social justice issues. Our small high school campus setting is highlighted by reduced class size, inter-disciplinary instruction, research to promote higher academic achievement, creativity, participation and citizenship. Students will explore the environment from a local and global perspective through hands-on experimentation and field trips. Technology will enhance their learning experience as they use the Internet to research environmental and social justice issues. Students will be motivated to develop a sense of pride in themselves, their school, community and environment.

Program Highlights: Hands-on project-based research, Portfolio development and presentation, Field trips, Regents preparation, Pre-College and Career planning

Language Classes: Spanish

Advanced Placement Courses: Biology, English Language and Composition, Environmental Science, Spanish Language, World History

Extracurricular Activities: Student Government Council, Student Campus Senate, Gateway Institute Citywide Student Council, New Visions Student Council, After-school Regents Prep, SAT Preparation, Tutoring, Computer Lab, Art, Music

Overview

We are committed to preparing a diverse community of students to become lifelong learners and providers of excellent health care. Our curriculum is embedded with health-related themes and a focus on the sciences. Students may earn college credits through our partnerships with Hostos Community and Bronx Community Colleges. All students are required to complete 120 hours of fieldwork in one of our many health-related internships. Preparing students for college and the world of work is a necessity, so we employ a full-time College Bound counselor and various staff from community-based organizations to support us in reaching that goal.

Program Highlights: Internships in Health Careers, Advancement Via Individual Determination (AVID)

Language Classes: Spanish

Advanced Placement Courses: Biology, English Language and Composition, European History, Spanish Language, United States History

Extracurricular Activities: Student Government, School Leadership Team, Oprah Ambassador's Club for Leadership and Public Service, National Honor Society/Arista, Peer Tutoring Corps, Rappoetics for Young Writers, Poets and Spoken Word Artists, Digital Photography, The Young Actors Club (student theatre group performs plays twice a year) **Clubs:** American Red Cross, buildOn, The Pom Squad: School Spirit Squad, Yearbook, Multicultural Awareness, The Men of Strength, History Through Film, Digital Photography, Drama, Young Women's Leadership, Young Men's Leadership

PSAL Sports – Boys: N/A

				10	10	41
Details: An intensive, collaborative and interactive program with an emphasis on fine arts, multi-media, video/sound production and computer graphic/animation design						

Overview

We are a collaborative learning community that combines a challenging curriculum drawing connections between the humanities, science, math and the arts with an intensive training program in the arts. We use state-of-the-art 21st century media technology. The Arts Studios bring together study in the traditional arts (dance, theatre, fine arts, and music) with study in the contemporary arts (film, video/sound production, multimedia, graphic design, and animation). Through our partnerships our students gain special residencies both within and outside the school. Our students have the opportunity to participate in special programs, performances, exhibitions, mentorships and internships. The entire school is actively involved in the process of building a democratic, self-governing community. Our environment promotes self-directed learning and respects the individuality and uniqueness of each student.

Program Highlights: Visual, Audio, Media and Performing Arts, Mentorships and Internships with colleges, museums, arts companies and individual artists; Creative Writing

Overview

Our school seeks students who have big ideas, who like working on teams and who love the English language. Students are given challenging assignments that teach them real-life skills. They learn to create their own schedules, act as peer leaders and tutors and have the opportunity to participate in school committees. Language and vocabulary are taught in every class and students learn to speak and write using college-level language. Students at High School for Language and Innovation will learn and grow beyond what they've ever thought possible.

Program Highlights: Advisory, Creative Fridays: Art, Sports, Language Classes, Music, Dance, Gardening, College Writing, Peer Tutoring, Service Learning, Teaching Assistant Internships, Tae Kwon Do, Tutoring Programs through Hunter College

Humanities & Interdisciplinary	X34A	Teaching	Limited Unscreened	9	108	381
				10	10	30
Details: Orientation to the teaching profession; determine knowledge and skills needed to become a teacher, and gain knowledge of instruction, planning and assessment as a pre-teacher assigned to assist in classrooms						

Overview

Our school infuses teaching and professions throughout the curriculum. We were created as a high school that will “grow its own professionals” by attracting students, not only to teaching, but to related professions in such fields as law, medicine, science, psychology, education, social work, counseling and public services. Students are encouraged to become independent thinkers, not simply gatherers of information, so they can choose wisely the course of their lives.

Program Highlights: Honors Classes, Regents Preparation, Tutorial and Extended Day, College Now, Pre-Teaching Academy, Conflict Resolution, Internships, 9th Grade College Prep, Saturday Academies, Summer School and Summer Bridge Program for incoming 9th Graders, Credit Recovery Programs, Career Visions Institute, buildOn, Good Shepherd Services, Committee of Hispanic Children and Families, Virtual Enterprise, Community Service, Explorers Professions Program, SMART Boards and laptop computers in every classroom

Language Classes: Spanish

Advanced Placement Courses: English Literature and Composition, European History, Spanish Language, United States History

Extracurricular Activities: Student Government, Grade Level Councils, Student Campus Council, buildOn, Operational Breaking Stereotypes, Peer Mediation, Opening Act, Open Mic, National Honor Society, Pre-Teacher Internships, Peer Tutoring, Supplemental Educational Services, Tutoring in the Homes, Chorus, Visual Arts, Photography, Drama **Clubs:** Guitar, Disc Jockey, Chess, Young Miss, Diversity, Maximum Dreams, Art, Nintendo Wii Fitness

PSAL Sports – Boys: Bowling, Cross Country, Handball, Indoor Track, JV Baseball, JV Basketball, Outdoor Track, Soccer, Tennis, Volleyball

PSAL Sports – Girls: Basketball, Bowling, Cross Country, Indoor Track, Outdoor Track, Softball, Tennis, Volleyball

PSAL Sports – Co-ed: N/A

School Sports: “Teach Da Teachers” (Staff/Student Competitions), Basketball, Volleyball, Softball, Cheerleading, Weight Training, Swimming/Life Saving, Open Gym

Additional Information

- Typical Freshman Schedule: 8:00 AM – 3:30 PM
- The High School for Teaching and the Professions encourages students to “Dress for Success”

Graduation Rate	97.3%	98.7%

Overview

Our school emphasizes the study of American history and offers students an academic program that is both comprehensive and challenging. Our goal is to prepare students for admission to highly competitive colleges and for a wide range of careers in politics, law, journalism, business, science, mathematics and the arts. Through our collaboration with Lehman College, students have access to its campus library and athletic facilities, and take actual college classes and seminars in their junior and senior years. Our aim is to make history and other subjects come alive through the use of primary source documents, films, biographies, literature and creative teaching techniques. Supported by the Gilder Lehrman Institute, students gain first-hand knowledge of the key events in American history through trips to sites and cities of historic importance and through participation in special seminars with guest speakers. We also offer advanced coursework in mathematics, science, literature, foreign languages and the arts. In all of our endeavors, we seek to encourage in our students a love for learning and an inquisitive spirit.

Program Highlights: Honors, Lehman College courses in all subjects; required courses in American History and Research Methodology; Electives in Constitutional and Criminal Law, Film, Foreign Policy, Intellectual History, Ethics, European History, the Roaring Twenties, East Asian History, Architectural History and Drafting, Journalism, American and British Literature, Poetry, Drama, Logic, Combinatorics, Diagnosing Disease, Environmental Ethics, the Biosphere, Astronomy, Anatomy, Pathology and Forensic Science; courses for upperclassmen in French, Italian, Latin, Hebrew, Japanese, Russian and Spanish at Lehman College; participation in History Day Seminars and Junior Historians’ Forums

Language Classes: Spanish

Advanced Placement Courses: Calculus AB, Chemistry, English Language and Composition, English Literature and Composition, Spanish Language, United States History, World History

Extracurricular Activities: Student/Senior Government, National Honor Society (Arista), Spanish Honor Society, Key Club, Peer Tutoring, After-school Tutorials, School Newspaper, Speech, Math Team, Model United Nations, Moot Court, Mock Trial, Great Books, Debate, Dance Team, Band, Classic Film, Literary Magazine, Yearbook, Drama, Poetry, Anime, Glee, Fusion Dance **Clubs:** Astronomy, Asian Cultural Society, Chess, Dance, Environmental, Food, Arts and Crafts, Poetry, Tolkeinetics, Running, Soccer, Gay-Straight Alliance, Classic Film, World Cultures, Music, Journalism, Key

PSAL Sports – Boys: Baseball, Basketball, Cross Country, Outdoor Track, Tennis

PSAL Sports – Girls: Basketball, Cross Country, Outdoor Track, Softball, Tennis

PSAL Sports – Co-ed: Bowling

School Sports: Golf, Soccer, Tennis, Running

Additional Information

- Typical Freshman Schedule: 8:00 AM – 3:00 PM
- This is one of New York City’s eight (8) Specialized High Schools that requires the Specialized High Schools Admissions Test (SHSAT). For additional information and the 2011 test dates, see the front of this Directory and obtain a copy of the “Specialized High Schools Student Handbook” from your guidance counselor.

Programs Offered

Program Name	Code	Interest Area	Admissions Method	Grade	2010 Seats	2010 Applicants
High School of American Studies at Lehman College	NO CODE	Humanities & Interdisciplinary	Test	9	90*	16,436
				10	10*	868

Details: All students will complete a four year sequence of computer repair and maintenance and will be required to complete exams in Microsoft Office, A+ Computer hardware and software and Network +.						

Overview

The High School of Computers and Technology is a Career and Technical Education (CTE) school. We provide an environment where students prepare for a career in the computer industry as they are building a foundation to further their education in college or a post-secondary technical school. Mutual respect, understanding, value for community and a quest for knowledge serve as guiding principles for our students and staff. All instruction is interdisciplinary and hands-on, through project-based education. Students will be able to obtain certification(s) in specific fields while earning a Regents diploma.

Knowledge and Power Preparatory Academy International High School	Y32A	Humanities & Interdisciplinary	Limited Unscreened	9	81	371
				10	10	33

Overview

Knowledge and Power Preparatory Academy (KAPPA) International High School, an International Baccalaureate World School (IB), offers the IB Diploma to all juniors and seniors. Scholars who earn the IB Diploma can receive up to two years of college credit. All scholars are required to complete a minimum of 150 hours of community service and write a 4,000 word senior research paper on a topic of their choice. KAPPA scholars, families and teachers jointly work hard to maintain our warm community and are committed to a challenging program, an internationally-minded education and inquiry-based learning. To complement our classroom learning, scholars travel internationally every year.

Program Highlights: All students are required to study four years of a foreign language (French, Spanish or Modern Greek) and an elective. Freshmen and sophomores are required to study music in addition to one writing elective, including Feminist Studies, Environmental Studies, Urban Studies, Religious Texts, Drama and Public Speaking and Journalism. Juniors and seniors study IB Economics, Psychology or Music. Advisory, daily Town Hall, Saturday Academy, College Now, International Travel

Leadership Institute	X06R	Humanities & Interdisciplinary	Limited Unscreened	9	81	197

Overview

Leadership Institute is a small community-based high school founded by youth and educators at Sistas and Brothas United, the youth affiliate of the Northwest Bronx Community and Clergy Coalition. Through partnerships, the school trains youth to be leaders who take charge of their schools and communities. Yearly Community Action Projects give students the skills they need to take action in their communities. A focus on social justice helps students understand their rights in a fair, democratic society. We prepare students for the college and career of their choice through an excellent education.

The Marie Curie High School for Medicine, Nursing & Allied Health Professions	X62X	Health Professions	Limited Unscreened	9	135	2048

Overview

Our goal is to inspire students to learn as much as they can about health to prepare them for life experiences and future careers in health-related professions. Students will master skills in literacy, technology and community responsibility. Graduates will succeed as a result of advanced level courses in math, science, and our interdisciplinary health curriculum. Courses are infused with various themes, skills and contemporary issues prominent in the field of health. Students receive classroom visits from health care professionals and may take trips to observe them in the workplace. Our partnerships provide students with academic support, mentoring and extended learning opportunities.

Program Highlights: College Now, College Center, Advisory, Internships in local Bronx hospitals and other health-related settings, Distance Learning Opportunites, Health Career Awareness, Extended Day, Weekend Academies, Health certification in Cardio-Pulmonary Resuscitation (CPR), Emergency Medical Technician (EMT), and First Aid

Millennium Art Academy	X72A	Visual Art & Design	Limited Unscreened	9	108	860
				10	5	71
Details: The school is designed for students who love to create art or who may achieve better academically in an artistically-geared learning environment.						

Overview

The Millennium Art Academy is a small, award-winning art and intergenerational high school. The school's exceptional visual art and intergenerational programs with the elderly help students to develop creatively, emotionally and intellectually. Students learn by doing, exploring, discovering, connecting, creating, discussing, debating, writing, revising and sharing. Faculty and visiting artists work together, along with our school's nurturing support team, to provide students with the tools needed to become confident, morally responsible adults. Emphasis is placed on teaching students to be accountable for their learning, choices and actions. Student Advisories and a staff that goes beyond the call of duty on a daily basis, assist greatly in this regard.

Program Highlights: Visual Arts: Drawing, Painting, Printmaking, Sculpture, Illustration, Mixed-media, Graphic and Digital Design, Cartooning, Anime, Photography, Documentary Film-making; Intergenerational Programs: Intergenerational Work Study Program (IWSP) and Millennium Pearl Initiative (MPI) where students work with the elderly weekly at the academy and at nursing homes & senior centers to write, design, illustrate and publish books about the lives of elders; College-Now, Gardening Project, Senior Seminar, Young Gerontologists Work Internship Program (to explore careers in gerontology)

Language Classes: Spanish

Advanced Placement Courses: English Literature and Composition, Government and Politics: United States, Spanish Language, Studio Art: 2-D Design, Studio Art: Drawing

Morris Academy for Collaborative Studies	X81X	Humanities & Interdisciplinary	Limited Unscreened	9	123	659

Overview

Our mission at the Morris Academy for Collaborative Studies is to involve all of our students in their own learning process so that they become self-motivated, creative problem solvers who can meet the challenges of college and the job market. We believe that the most effective way to provide our students with a meaningful education is through project-based learning, in which students work in groups on projects that are important and relevant to their lives. Students will engage in learning experiences that will challenge them to think creatively, push them to behave independently and motivate them to grow socially. Technology and the humanities will be infused across the curriculum.

Program Highlights: Roundtable Review of student projects, Advisory, Internships, College Now, Arts, Junior Reserve Officers' Training Corps (JROTC), Robotics

Language Classes: Japanese, Spanish

Visual Arts, Drama, Dance and Music	X49B	Visual Art & Design	Limited Unscreened	9	100	N/A
				10	10	N/A

Overview

In our state-of-the-art building, our students realize success in academics and creativity. In partnership with Career Visions, students learn through creative projects and hands-on activities. They experience filmmaking and discover their talents on film or behind the camera and express themselves through our thriving visual art, dance and band programs. We offer individual attention, guidance and tutorial assistance in the content areas and Regents exams. We promote community involvement and activities, uniting staff, parents and community. We offer workshops for students, parents/guardians as well as guidance and assistance with referrals to agencies applicable to their needs.

Program Highlights: Elective courses in Drama, Art and Musical Instruments taught by industry professionals; Credit bearing after-school activities offered through our Community-Based Organization (CBO), Career Visions, including Hands-on Film Projects, Cheerleading, Dance, Band, Art, Drama and Photography. Student performances in student-created independent films, short documentaries and school-wide productions

Overview

New World High School is centered around the language acquisition needs of all students in all subjects. Our school engages all students in acquiring and developing the skills necessary for success by infusing English as a Second Language (ESL) into all content areas of instruction. Technology is also infused throughout the curriculum to develop and reinforce concepts and skills. Our classes are small and our academic program is challenging, with the expectation that students will have a successful transition out of the ESL program in a timely manner and be able to graduate in four years. Students share their native cultures and languages and learn to become active citizens in their new country as they adapt to and flourish in the American culture and the use of the English language. Our staff works closely with students to ensure a successful progression not only in high school years, but as they continue their education or join the world of work.

Program Highlights: Advisory, Student Support Services, Career Interest and Self Assessment, College visits, SAT and Regents Preparation, Trips, Cultural Events, Internet After-school, Arts and Music Enrichment, Journalism, Opportunities to take college courses while in high school, Online courses, Academic competitions in Mathematics and Social Studies

Peace and Diversity Academy	X84X	Humanities & Interdisciplinary	Limited Unscreened	9	81	110

Details: This program helps young people gain the requisite knowledge, skills and attitudes to develop intercultural understanding that will lead to non-violent approaches to problem solving, conflict resolution and decision-making for a peaceful world.

Overview

Peace and Diversity Academy is a unique school, which in conjunction with the Anti-Defamation League, seeks to create leaders who have the requisite knowledge, skills and attitudes to build an increasingly just and democratic global society. We will do so by promoting excellence, developing critical thinkers and modeling an inclusive and democratic community which engages all families, educators and partners. Our school is committed to fostering anti-bias attitudes, inspiring social justice and peace activism, building student and teacher skills in active communication, conflict resolution, mediation, diplomacy and human rights leadership. Graduates of Peace and Diversity Academy will be leaders who build bridges of intercultural understanding across all levels of human diversity.

Program Highlights: Thematic Curriculum includes: Peace, Diversity, Cultural Identity, Cultural Awareness, Language and Communication, Bias, Anti-Bias, Discrimination, War, Human Rights, Prejudice, Anger Management, Conflict Resolution, Peer Leadership, Peer Mediation, Model United Nations, Community Assessment, Community Building, Social Action, Internships, Coaching/Mentoring, SAT Prep

Overview

In collaboration with the Institute for Student Achievement, we stress multicultural curricula that integrate the arts into academic classes. Our school features longer class periods, small classes, Advisory classes, a family liaison and an exciting Extended Day Program. We use traditional as well as Portfolio Assessment in order to prepare students for Regents examinations. Preparation for college will begin in the first year with special counseling and trips to colleges. All students are prepared for higher education, careers and to assume their roles as citizens of our country and the world.

Overview

In collaboration with the College Board, this school is committed to assist students in mastering a challenging curriculum, guiding them to college entrance and preparing them for success. Through exposure to state-of-the-art instruction and support, in a respectful and welcoming environment, students will be inspired to set the highest academic standards and career goals for themselves. Our students will learn to think critically, to communicate effectively and to be open to new experiences and ideas. They will be trained to become lifelong learners who are receptive to a wide range of ideas and beliefs. In turn, a strong school community—families, teachers and staff equally committed to these high ideals—will support our students and provide a solid foundation for their success.

Overview

Our school celebrated its first graduating class in 2009 with college acceptances which include Tulane University, Manhattan College and City and State Universities. In September 2005 Theatre Arts Production Company School (TAPCo) opened its high school doors as a college preparatory program with a small and personal environment. By integrating subject matter across disciplines, Theatre Arts classes become the vehicle for this connection. We work toward providing an opportunity for students to pursue training in the arts which will prepare them for further education and the world of work.

Program Highlights: College Now at Lehman College, College Readiness Classes, Acting, Directing, Drawing, Painting, Set Design, Sculpting, Computer Graphics, Filmmaking/Videography, Photography, Dance, Chorus, African Drumming, Guitar, After-school Programs for Sports and the Arts

Overview

Our school's purpose is to create a powerful learning community that includes intellectual and personal fulfillment. We value diversity in who we are and what we do. Our focus encompasses the "whole person" as a learner. We aim to develop confident, independent thinkers who work to the best of their ability. We offer college courses during the day as part of our academic program for our Honors and Early College students through our partnership with Bronx Community College. Our students benefit from small classes, block scheduling, technology in the classroom, performance assessment and Advisory. College trips and specialized grade trips are part of our curriculum.

Program Highlights: Early College, College Now, Honors Classes, Family Group/Advisement, PM Classes, Power Writing, Living For the Young Family through Education (LYFE) Center, Robotics, Young Achievers, Executive Internship, Technology, Tech Leaders of Tomorrow, Peer Mentoring, Green Technology, Moth Project, Teen Battle Chef, Project Eats, Summer Search

Overview

Our mission is to provide students of all academic abilities with the intellectual and social tools to lead alert, literacy-rich lives. Our project-based curricula is designed to prepare students to become globally-minded activists with a sophisticated understanding of the political, cultural, economic and social forces that have shaped their communities and the world around them. Our faculty and partners will work tirelessly to ensure that our school is a learning environment open to all students, regardless of academic ability and that every student is prepared for college and the world beyond. We value academic challenge, social justice, individualization and high-quality teaching.

The Urban Assembly School for Applied Math and Science	Y29A	Science & Math	Limited Unscreened	9	81	597

Overview

The Urban Assembly School for Applied Math and Science strives to develop and prepare all of our students to become compassionate, critical thinkers capable of successful pursuits after high school. We expect that all of our students will be prepared for college-level study and will be equipped with the skills to make solid career choices. We operate on the premise that critical thinkers, as they attempt to make sense of the world around them, are led quite naturally to mathematics and that applied mathematics can be a powerful unifying force in the school experience. The mathematical sciences are celebrated at this school.

Program Highlights: Mentoring, Workplace Internships, Careers in the Mathematical Sciences, the Mathematics of Social Justice; Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP)—a comprehensive 7-year college readiness program; SAT/ACT Test Preparation, College Counseling

Language Classes: French, Spanish

Urban Assembly School for Wildlife Conservation	Y38A	Science & Math	Limited Unscreened	9	81	527

Overview

The Urban Assembly School for Wildlife Conservation (UASWC) engages students in a challenging curriculum centered on Wildlife Conservation and cultivating life skills. We offer our students an advanced curriculum in the areas of math and science. Wildlife Conservation is integrated into core subject areas. The Bronx Zoo serves as our extended classroom and its scientists, educators and zookeepers serve as mentors and educators for our students. Extended Day activities are offered in robotics, outdoor adventures, art, science, math and English Language Arts (ELA). College awareness, college counseling and career planning begin in the 9th grade through affiliations with our partners.

Program Highlights: We offer an accelerated program. Students can graduate with an Advanced Regents Diploma. Students can pursue extra science courses through an additional Wildlife Conservation class.

West Bronx Academy for the Future	X59X	Humanities & Interdisciplinary	Limited Unscreened	9	81	685

Overview

The West Bronx Academy for the Future (WBAFF) is a high-tech school which will prepare its graduates to participate fully in the social, civic and economic life of their city. Students will learn in small classes and be supported by an advisory system featuring small numbers of students with long-term teacher involvement. Our program will be enhanced by real world project-based learning and the thorough integration of technology. Students will be linked to careers that employ technology, such as journalism, the arts, engineering, architecture and urban planning.

Program Highlights: Bronx Institute, Internships in tech-driven industries, Projects that impact the community and involve Architecture, Engineering, Urban Planning and Environmental Studies

Language Classes: Spanish

Overview

In September 1994, the New York City Department of Education, the Center for Collaborative Education and the Coalition of Essential Schools sponsored the first systemic effort to redesign a large high school in the Bronx. Wings Academy was one of five pioneering small schools resulting from that effort, founded on the premise of helping young people use their minds well. Our primary goal is to develop students' "habits of mind," which will encourage respect for lifelong learning, purposefulness and success.

Program Highlights: Double periods (90 minutes), Library, Art Studio, Dance Studio, Classes with our Partners, Senior Thesis, College Now, Jose Serrano Leadership Institute, Upward Bound

Women's Academy of Excellence	Y01T	Science & Math	Limited Unscreened	9	108	585

Overview

The Women's Academy of Excellence is the only all-girls public high school in the Bronx, serving grades 9-12. Our mission is to create a community of lifelong learners, to nurture the intellectual curiosity and creativity of young women and to address their developmental needs. The school community cultivates dynamic, participatory learning, enabling students to achieve academic success at many levels, especially in the fields of math, science and civic responsibility. Our future scholars are exposed to a challenging curriculum that encourages them to achieve their personal best.
