Teacher's Choice Program for School Year 2006-2007

The Teacher's Choice Program for this school year ends on **March 15, 2007**. The third distribution of Teacher's Choice checks for the 2006-07 school year was issued with the **March 1** payroll. These checks were issued for staff members who met all eligibility requirements for the program but were not issued checks in December or January. Recipients must have been active on the payroll through December 1. They must also have had updates made to their EIS records by their ROCS after the last allocation file was created or have submitted documentation to substantiate their requests.
