Educational Impact Statement

I. Description of the subject and purpose of the proposed item under consideration.

Prior to the start of the 2010-2011 school year, Leadership Preparatory Brownsville Charter School (84K711, "Leadership Prep Brownsville"), an existing school currently serving students in grades Kindergarten-1, will move from its current location in Community School District 23 ("District 23") to another location in District 23, school building K284 (hereinafter referred to as "K284"). P.S. 284 Lew Wallace (23K284, "P.S. 284"), an existing school serving grades PreKindergarten-8, is currently housed in K284 and will be co-located with Leadership Prep Brownsville. K284 has a capacity of 967, and its 2008-2009 target utilization was 61%. K284 has sufficient space to accommodate P.S. 284 at its current grade configuration and Leadership Prep Brownsville at a K-4 grade span. An assessment of the available space in the K284 building will be performed in the 2012-2013 school year when Leadership Prep Brownsville reaches grades Kindergarten – 4 to determine whether additional rooms can be allocated to the school within the K284 building. If there is sufficient space in K284, Leadership Prep Brownsville will continue to add one grade per year in K284 until it reaches its full planned grade scale of K-8 in the 2016-2017 school year if additional space is not available the Department of Education will identify another location for grades 5-8 of Leadership Prep Brownsville. In 2012-2013, Leadership Prep will have 240-260 students, K-4. At scale, Leadership Prep Brownsville will have an enrollment of 610-640 students. If there is not sufficient space for Leadership Prep Brownsville to grow in K284, alternative siting plans will be explored. K284 is located at 213 Osborn Street, Brooklyn.
