**Teacher Recommendation Request Form**

Dear \_\_\_\_\_ (Teacher's name),

As I embark on my high school application process, I am respectfully requesting recommendations from those teachers that have watched me grow over the past couple of years at the Scholars' Academy. I consider you to be one of the teachers that I have connected with and to whom I have shown my strengths. I have provided for your convenience, a list of my accomplishments and other reasons why I am a good candidate for a recommendation. Please contact me if there is any other information you are seeking that would be helpful to you. Thank you in advance for your time and consideration.

Sincerely,

\_\_\_\_\_
