

Dear District 29 families:

This year, District 29 students have the option to apply to four (4) Choice Middle Schools:

- Q327 – Eagle Academy for Young Men III
**Please note this is an all boys school*
- K383 – Philippa Schuyler (J.H.S. 383)*
**Please note this school is located in District 32 (Brooklyn)*
- Q680 – Queens Gateway to Health Sciences Secondary School
**Please note this school is located in District 28 (Queens)*
- Q896 – The Young Women’s Leadership School, Queens*
**Please note this is an all girls school located in District 28 (Queens)*

If you are interested in applying to one or more of these Middle School Choice programs, please complete an application and submit it to your child’s elementary school on or before, **December 16, 2011**. Rank all schools for which your child is eligible and interested in attending. When deciding which schools to apply to you should consider a school’s location and investigate travel options to make sure you feel comfortable with the commute your child will be taking each day. Remember that the Department of Education offers transportation to students based on specific criteria that are described at <http://schools.nyc.gov/offices/transportation> or by calling the Office of Pupil Transportation (OPT) at 718-392-8855.

Completing an application does not guarantee your child a seat in one of these schools. Whether or not an application is completed each child is guaranteed a middle school placement.

Included in this packet you will also find a complete list of schools with school-based applications processes for which your child may be eligible. If you are interested in learning more about those schools, you should contact them directly.

For more information, please read the attached school descriptions. If you have questions, please contact your school’s guidance staff or call 718-935-2399.

Sincerely,

Sandy Ferguson
