Distribution of Teacher's Choice Allocations
All schools / Events: December 9, 15

Teacher's Choice allocations for this school year will be issued as either a direct deposit on **December 9** or as a debit card distributed with the **December 15** payroll for new participants who aren't enrolled in direct deposit. Previous card holders will have their debit cards replenished on **December 15**. All eligible staff members actively employed as of November 1 will receive an allocation as long as the information in their EIS records is accurate. A second and final allocation issued in March will include any eligible staff members who were not included in the initial allocation, pending appropriate notification to the Special Projects Unit by January 28, 2011.

You may find detailed instructions for the activation, use, and replacement of the debit cards and detailed information about the Teacher's Choice program at <http://schools.nyc.gov/Offices/EnterpriseOperations/ChiefFinancialOfficer/DFSBO/BusinessAdministration/KeyDocuments/Teachers+Choice.htm>).
