SCHOOL ALLOCATION MEMORANDUM NO. 65, FY10

DATE: October 20, 2009

TO: **COMMUNITY SUPERINTENDENTS, INTEGRATED SERVICE CENTERS
AND SCHOOL PRINCIPALS**

FROM: Ling Tan, Executive Budget Director

SUBJECT: **Translation and Interpretation Services**

The Department of Education is currently allocating 50% of the total Title I or Title III funds, in conjunction with tax levy funds, to eligible schools for translation and interpretation services for Limited English Proficient (LEP) parents. The remaining portion of the funds will be allocated later during the school year. These funds help support the No Child Left Behind (NCLB) requirement that schools communicate whenever feasible with parents in their home language. The Title I and Title III funds, by federal law, may only be used for translation and interpretation services that are not mandated by state or local laws/ regulations or provided by the Translation and Interpretation Unit. The tax-levy funds are not subject to this restriction.

Translation and Interpretation Unit services include translation of critical communications in the form of a letter, notice, flyer, consent form or parent handbook, and over-the-phone interpretation services in more than 150 languages. More information about the Translation and Interpretation Unit may be found at: <http://schools.nyc.gov/Offices/Translation>.

Please note that the translation and interpretation services supported by these allocations target *all parents in the school who have limited English proficiency*. Services are not limited to parents of students who have been identified as English language learners.

NO CHILD LEFT BEHIND ACT

The federal No Child Left Behind (NCLB) Act requires schools to reach out to and involve families of students whose home language is not English in order to meet the following goals:

- share parent-school accountability
- provide parents with access to information about their child's educational options
- increase parents' capacity to improve their child's achievement

COMPREHENSIVE EDUCATIONAL PLAN (CEP) APPENDIX 3: LANGUAGE TRANSLATION AND INTERPRETATION

Schools are required to complete Appendix 3 to the CEP, which describes the intended use of the translation and interpretation allocations. Principals, parents, and parent coordinators in collaboration with other pertinent personnel should be involved in the development of the appendix, which must be approvable. Scheduled funds must be reviewed and approved by the Senior Grants

Officer for fiscal compliance with Title I and III guidelines and the ELL Compliance and Performance Specialist for programmatic compliance. A copy of Appendix 3 must be maintained at the school site as part of the school's Comprehensive Educational Plan.

When developing your plan, please keep the following factors in mind:

- Number of LEP parents in your school
- Number of languages represented in your school community
- Current language resources available to your school (e.g., bilingual personnel, community-based organizations)
- Number of documents your school disseminates that will require translation
- Number of formal and informal face-to-face interactions throughout the school year

You should develop your plans with flexibility for changes. Generally, schools should plan based on the projected needs and make every effort to follow that plan. Furthermore, plans should be developed to expend all funds by the end of the fiscal year.

For more information about development of the Language and Interpretation school plan and budget narrative, please contact your ELL Compliance and Performance Specialist, School/District Improvement Liaison and your SSO Network Team.

ALLOCATIONS

Information regarding individual school allocations is attached. All participating schools receive a tax levy allocation. Eligible schools also receive either a Title I or Title III allocation for supplementary services. Final allocations will be based upon the following two factors:

- Number of non-English home languages in the school (based on the Home Identification Language Survey)
- Number of students with non-English home languages (based on the Home Identification Language Survey)

Indirect costs have already been accounted for. However, fringe benefits need to be budgeted.

SCHEDULING IN GALAXY

Tax levy allocations must be scheduled in the allocation categories "*TL Translation Services and TL Translation Services CW*." Title I allocations must be scheduled in the allocation category "*Title I Translation Services*", and Title III funds must be scheduled in the allocation category "*Title III Translation Services*". When scheduling OTPS items for services in Galaxy, you must schedule the funds in the parent involvement section of the Table of Organization and select the Translation/Interpretation option from the program field drop-down menu.

ALLOWABLE COSTS

Funds may only be used to provide in-person interpretation services, written translation services, or to cover the cost of translation or interpretation resources or tools (e.g., dictionaries, interpretation equipment) or printing costs of foreign-language materials to be disseminated to LEP parents.

The following may not be supported with the tax-levy, Title I, or Title III allocations:

- The translation of information not related to achieving high academic standards,

- The retranslation of materials already available through the central Translation and Interpretation Unit,
- The partial or full funding of an annual position,
- The purchase of supplies not directly related to the provision of translation or interpretation services,
- The purchase of services for training programs,
- The purchase of services from unapproved or non-contracted DOE entities (e.g., parent, community member) for the provision of language services

In addition Title I or Title III resources may not be used in these additional circumstances:

- The replacement of translation and interpretation services currently provided by the school with tax-levy funding,
- The provision of translation or interpretation services for mandated services (e.g., at Special Education Educational Planning Conferences)

The following are the cost factors allowed when budgeting in Galaxy. These are subject to modification during the school year.
