Teacher's Choice Auditing

March 15, 2007 was the deadline for Teacher's Choice participants to bring materials purchased through the program into schools and submit accountability forms with accompanying documentation to their principals/CSEs. Please be aware that these documents are subject to review and audit.

Please review the forms and receipts submitted by your teachers as soon as possible and inform DFO if you find an item that does not appear to be in compliance with the program's guidelines. Please **click here** for the "Teacher's Choice Outstanding Accountability Report" form, which is to be used to inform DFO's Special Projects Unit of participants who have not submitted the required documentation or brought the items purchased through the program into their classrooms.

Your cooperation will ensure the integrity and continued success of the Teacher's Choice program. For additional information, contact DFO's Special Project Unit at (718) 935-3304 or specialprojects@schools.nyc.gov .
