Topic: "Managing Problem Behaviors in
Autism Spectrum Disorder"

Presented by
Latha Soorya, Ph.D.

Place: H.E.S., 9502 Seaview Avenue, Brooklyn, NY

Date: Thursday, October 27, 2011

Time: 6:30pm – 8pm / Childcare available (see below)

Dr. Soorya is a clinical psychologist and behavior analyst at the Seaver Autism Center at the Mount Sinai School of Medicine. This talk will focus on behavioral intervention strategies used to address difficult behaviors including aggression, anxiety, and repetitive behaviors.
